

Shapeys Teaching English Phonics System (STEPS)

Shapeys Teaching English Phonics System (STEPS) primary objective is to introduce the top one hundred most used words of the English language. This is achieved in three steps.

An Introduction to Letter Sounds

TEACHING MANUAL STEP 1

Written and Illustrated by Adrian Alexander

Step 1

- Introduces the sounds for the 26 letters of the English alphabet
- Introduces the first 33 words of the top one hundred most used words in English
- Introduces 600 new English words that use only the basic letter sounds printed onto colour coded flashcards
- Lesson plans, ready to use with many physical activities and games
- Introduction cards and flashcards for each letter
- A weekly assessment sheet and an exercise book for each student
- A weekly 'Take Home' sheet for each child

An Introduction to Double Letter Sounds

TEACHING MANUAL STEP 2

Written and Illustrated by Adrian Alexander

Step 2

- Introduces the sounds for 23 double letter sounds
- Introduces the next 17 words of the top one hundred most used words in English and 239 new English words using double letter sounds
- Lesson plans ready to use including fun physical games
- Story cards and flashcards for each letter
- A weekly assessment sheet and an exercise book for each student
- A weekly 'Take Home' sheet for each child
- Introduces the English Alphabet
- Introduces all 26 Letter Names

An Introduction to Tricky Sounds

TEACHING MANUAL STEP 3

Written and Illustrated by Adrian Alexander

Step 3

- Introduces words that cannot be sounded using single or double letter sounds, known as 'tricky words'.
- Introduces the remaining 50 words of the top one hundred most used words in English
- Has many lesson plans ready to use including fun games and activities
- A weekly assessment sheet and an exercise book for each student
- A weekly 'Take Home' sheet for each child
- Introduces Capital Letters
- Introduces Simple Punctuation
